PE

This term year 3 will be swimming. Year 2 will be doing games for understanding.

They will all be continue to do football.

PSHE

We will be focusing on growing and changing. Also spending a week on positive relationships as part of SCIB. Year 3 will also be learning about being Safer Together.

Science

We will be revisiting materials, learning about their different uses and why they are suited for different purposes. As well as carrying out investigations.

DT

We will be designing and making our own pencil cases. Using a running stitch in the making process.

Maths

This term will be learning about more about time. Revisiting shape, descorbing, naming, creating patterns. Finally learning about statistics, presenting and interpreting data.

Computing

We will use desktop publishing software to change font size, colour and type to edit and improve documents. We will add text and images to create our own pieces of work.

English

Our text will be The Proudest Blue. We will be writing a diary entry as well as desciptive sentences about special items of our own. Sewing it All Together Year 2/3

Music

The children will work together to create short compositions and follow simple musical patterns.
